BALLOT BY MAIL

Security. Transparency. Tracking. Verification.

1

ONLY REGISTERED VOTERS CAN REQUEST A BALLOT

The law requires that the Elections Department check the voter registration record against vital records and government systems prior to mailing a ballot to a voter.

2

VERIFICATION STARTS 90 DAYS BEFORE AN ELECTION

The Office of the Recorder mails out notices to all voters on the Active Early Voting List (AEVL). After reconciling our voter records, we mail ballots 27 days before an election.

3

TRACK YOUR BALLOT. TEXT 'JOIN' TO 628-683

Every single mailed ballot is tracked upon delivery and receipt with an intelligent mail barcode so voters can have peace of mind knowing it was counted. Track your ballot by texting "JOIN" to 628-683 or online at [BeBallotReady.Vote](https://www.maricopa.gov/BeBallotReadyVote).

4

100% SIGNATURE VERIFIED

All signatures are checked against a known signature on the official voter registration file and past affidavit signatures. Our signature verification process has multi-level checks to ensure only valid signatures are counted.

5

ONLY VERIFIED BALLOTS ARE COUNTED

Once the signature is verified on the affidavit envelope, it is opened by a bipartisan board and sent to be counted. All uncounted ballots are tracked and reported in the official canvass for each election.

SIGNATURE VERIFICATION

Curing

The County has a standardized process for contacting voters to notify them of questionable signatures and unsigned affidavit envelopes.

Questionable Signature

- Deadline is 5 business days post election (5:00PM)
- Voter must provide information to verify their identity and confirm they signed the affidavit envelope
- Cured signatures are stamped with "Verified and Approved MCTEC" stamp
- Uncured packets will be reported on the canvass as a bad signature (reject)

No Signature

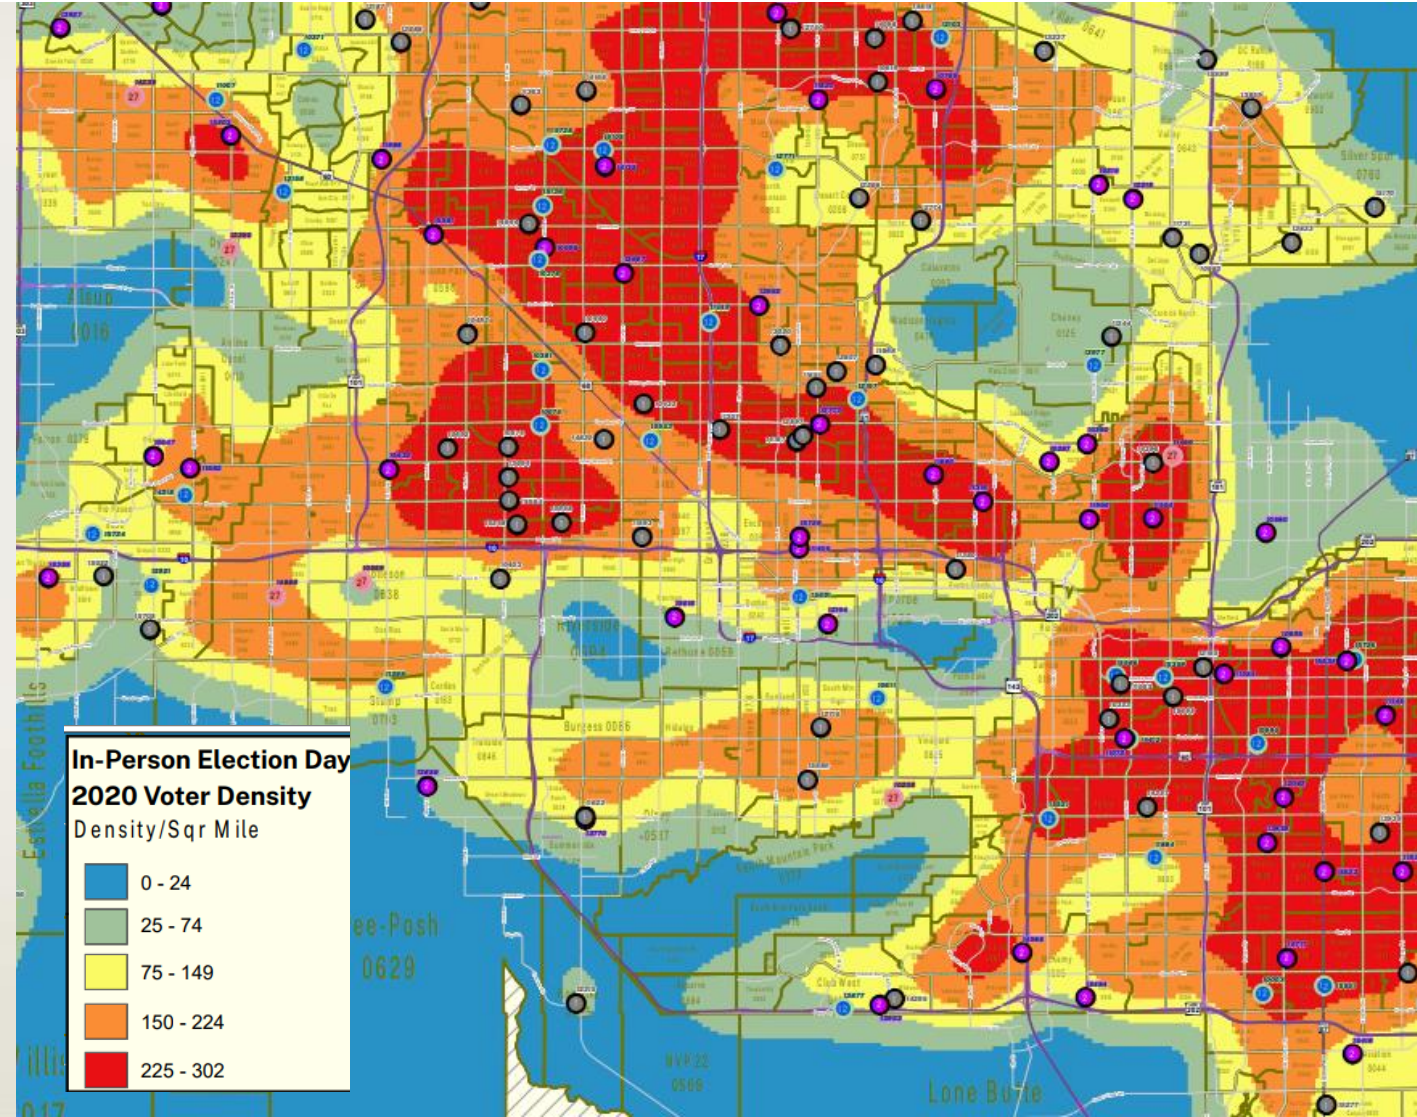

- Deadline is Election night at 7:00PM
- Voter must provide signature on the affidavit envelope or vote in person
- Uncured packets will be reported on the canvass as a no signature (reject)

IN-PERSON VOTING OPTIONS

Increasing Access to Vote In-Person

- ✓ More "Vote Anywhere" Vote Centers
- ✓ Phased Opening Schedule
 - ✓ 27 Days, 12 Days, 2 Days, 1 Day
- ✓ Additional 10 -15 Secure Drop Boxes
- ✓ Located along light-rail, bus routes and freeways
- ✓ Located in high density areas including locations that serve Native American & rural communities
- ✓ Dispersed across the County, every 1-2 miles

Command Center ✕ +

The dashboard features a top navigation bar with a close button and a refresh button. Below this is a grid of 14 white icons on a dark background, representing different system components: a refresh icon, a clock, a document, a group of people, a single person, a circular arrow, a document with a checkmark, a person with a clock, a printer, a monitor, a padlock, a person with a hard hat, and a person with an exclamation mark. Below the icons are three status indicators: a blue group of people icon with '0', a yellow group of people icon with '0', and a red group of people icon with '0'. To the right of these are a download icon, a person with a clock icon with '0', a printer icon with '0', a monitor icon with '0', a padlock icon with '0', a person with a hard hat icon with '0', and a person with an exclamation mark icon with '0'.
