Voting is open from now until **Sunday, April 7 at midnight**. The winners will be announced on **Monday, April 8**.

One winner will be selected from *each* contest, meaning there will be two original designs: one from the youth contest and one from the adult contest. These winning designs will be added to Maricopa County's six existing sticker designs.

Not only will the winner of the youth contest have their design used as one of this year's official "I Voted" stickers, but they will also receive a pizza party for one of their classes where they will get to pass out their sticker to their classmates.

"I am so grateful for all who submitted a design and I look forward to seeing which stickers win!" Recorder Richer added.
